REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose a system for ensuring driver safety and the system comprising a communicating arrangement being adapted to receive from a plurality of systems impacting driver safety, information on current conditions relevant to driver safety; and an arrangement for evaluating whether driver safety is at risk, based on information received by the communicating arrangement; and an arrangement for performing operations to ensure driver safety, responsive to the evaluating arrangement. These limitations are neither taught nor obvious by the prior art of record.
